## 200 SUPER ROOF LITE

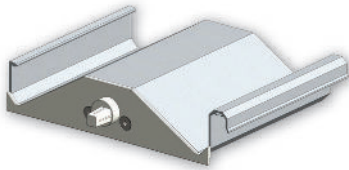

A firm favourite

The 200 SUPER ROOF LITE is part of the Super Roof collection of Opening Roofs. This one being a lighter version of the new look 200 Super Roof.

The 200 Super Roof Lite provides excellent spanning capacity for the majority of residential installations.

This roof comes with a 185mm extra wide gutter to all four sides as standard.

Super Roof Lite looks fantastic and continues to be one of Louvretec's most specified Opening Roof options.
